Prepare FOOD SAFELY

Understand THE CONSEQUENCES

What to do if a customer has an allergic reaction

CALL 000

While waiting for the ambulance to arrive

- 1** Lay person flat, do not allow them to stand or walk. If breathing is difficult allow to sit on the ground with legs outstretched.
- 2** Follow customer's ASCIA Action Plan for Anaphylaxis (if they have one) and administer adrenaline (epinephrine) injector following instructions on the Plan.
